Traditional German quality - driving your durable business development

- More than 30 years pioneer in sustainable product development
- Smart hygiene solutions ensuring profitable growth
- Trusted brand

Professional user training and on-site support for Sustainable Hygiene Solutions

- Comprehensive knowledge transfer through qualified cleaning consultants
- Customized hygiene plans and cleaning recommendations optimizing your business and cleaning procedures
- Increased service value and strengthened company reputation

TAWIP vioSwitch

green-Effective® Ultra concentrated floor cleaner and -care

■ Exact dosing ■ Safe application ■ Reduce, Reuse, Recycle

Product profile

- The natural coconut fat soap in the formula protects floors from leaching effects and leaves a protective film with antistatic effect, reducing the danger of slipping in complicance with DIN 18032-2.
- The highly concentrated formulation makes a cost-efficient use possible.
- TAWIP vioSwitch is part of the Switch system, that combines dosing and refilling.
- TAWIP vioSwitch comes in a highly sustainable bottle and Switch dosing cap made of 100% Post Consumer Recyclate allowin accurate and safe dosing while avoiding direct product contact.
- Thanks to the 1L mono-material Cradle to Cradle Gold pouch, the bottle can be refilled again and again.

Application and Dosing

Switch the lever and dose in relation to application and degree of soil.

spray thinly and evenly on the floor, treat with a single disk machine.

with soil-releaseeffect: wetwipe the uncoated floor. Polish afterdrying.

Mop the floor with a clean mop.

Can be applied in cleaning machines or for manual cleaning.

Area of application

- TAWIP vioSwitch is ideally suitable for mechanical and manual maintenance cleaning of all water-resistant floors in objects demanding highest floor care and slip resistance. Perfectly suitable for use on PVC, linoleum, rubber, stone as well as oiled and waxed wooden floors, e.g. in schools, nursing homes, administrative buildings or gymnasiums.
- Do not use on unsealed wooden flooring.

Product safety, storage and environmental instructions

 $\textbf{Safety:} \ \textbf{For professional use only.} \ \textbf{For further information, see Safety Data Sheet}.$

Storage: Store at room temperature in the original container.

Environmental: For maximum effectiveness always use the correct dosage. This will minimize water consumption and reduce water pollution. Dispose of container into the collection of recyclables only when it is completely empty.
